

SWEEK is an a mission. He must conquer five istands inhabited by rivil monethers. Each island has 50 levels. Skierek has to paint most levels pirst. This is no easy task! The monothers will stop at nothing to thread Skierek's plans. They've even kidnipped some Skierezettes and enprisoned them on some of the Islands. Skierek must destroy soldiers, free the preomers, and paint like crazy before the monothers destroy time!
